Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) (continued)

Year ended 31 December 2018

Structure, governance and management

Governing Document

Comann Eachdraidh Lios Mòr is a company limited by guarantee. It does not have share capital. The governing document is the Memorandum and Articles of Association dated 29 July 2002, as subsequently amended. It is registered as a Scottish Charity. In the event of winding up, the liability of each member is limited to £1.

Recruitment and appointment of new trustees

Trustees are elected by the members of which there are two classes. Ordinary members may be individuals, firms, unincorporated associations or corporations resident or active within the island of Lismore. They may, along with nominated members, appoint up to twelve directors, designated "Elected Directors". Nominated members may be individuals, institutions and organisations who support the objects of the Company who are nominated for this class of membership by the Board. They may appoint up to three directors, designated "Nominated Directors".

There are 3 categories of membership:-

Ordinary members, aged 16 or over, either resident in the community, or who are active, on or on behalf of, Lismore; and who also support the Objects.

Associate members, individuals or organisations, not ordinarily resident in the community, but who support the Objects, and

Junior Members, individuals between 12 and 15 who support the Objects.

Only Ordinary Members have voting rights. The Company shall have not fewer than 20 members, of whom the majority must be ordinary members. (There are currently 178 Ordinary, 4 Associate and 0 Junior members).

The affairs, property and funds of the Company are directed and managed by a Board of not less than 5, and not more than 12, Directors. (There are currently 9 Directors.)

The Board of Directors continues to assess and identify any major risks to which the charity may be exposed, and to mitigate those risks.

Induction and training of new trustees

New trustees are inducted into the workings of the charity according to the nature of their role and responsibilities and by attending Board meetings. The Board understands the importance of being kept informed on current issues in the sector and on regulatory requirements, but has not yet established a formal procedure for Trustee training.

Risk Management

The Trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

Indemnity

The company has granted every director an indemnity, out of the assets of the company, which is a qualifying third party indemnity provision for the purposes of the Companies Act 2006.

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) (continued)

Year ended 31 December 2018

Objectives and activities

Objectives and aims

The main objective of the charity is to advance the education of the public about the history, heritage and culture of the Island of Lismore. The main activity undertaken to achieve this has been to build and operate a visitor centre on the island, which incorporates a museum, shop and cafe.

Strategic report

The following sections for achievements and performance and financial review form the strategic report of the charity.

Achievements and performance

During the year, the charity's operating subsidiary operated the shop in the museum and also took over the direct operation of the catering outlet, both important contributors to the visitor experience. Any profits generated from this activity will be used to further the objectives of the charity

2018 was a very busy and productive year for the team at Comann Eachdraidh. From the collection side the storage of objects was greatly improved by the arrival of a shipping container which was then fully insulated and fitted out for the purpose; new objects were gifted to the museum, and a book published; "The story of Lismore in 50 objects", written by Robert Black. History and heritage of the island was further explored by a 2 week archaeological dig at the Cathedral Glebe. The community aspects of the work featured strongly, including the appointment of a Gaelic access officer who works with the whole island community; encouraging and training volunteers; running a local library project for adults and children with the assistance of the Council library service, plus working with outside groups such as The MacDougall of Dunollie Preservation Trust, and The Society for Protection of Ancient Buildings.

Financial review

For the year ended 31 December 2018, we report net outgoing resources on restricted funds of £13,705 (2017 - £5,513) and net outgoing resources on unrestricted funds of £5,159 (2017 - £5,513) our trading subsidiary made a loss for the year of £2,897 (2017 - profit £2,365), its net reserves at the year-end were a surplus of £8,769 (2017 - £11,168).

Reserves policy

Our aim is to maintain sufficient unrestricted reserves to provide a buffer for operating costs in the short to medium term in the event that there is a shortfall of revenue, and to maintain the property and equipment. The balance at 31 December 2018 was £18,186 (2017 - £23,345)

Going concern

We consider that the charity currently has adequate resources in the short term. Accordingly, the going concern basis continues to be appropriate to apply in preparing the financial statements.

Plans for the future

Going forward, the charity plans to build the operation of the centre to a financially stable position, whilst delivering the charity's objectives noted above. As part of these aims, the operation of the café will be subcontracted in 2019 to improve efficiency and financial returns.

Independent Examiner's Report to the Trustees of Comann Eachdraidh Lios Mòr

Year ended 31 December 2018

I report on the financial statements for the year ended 31 December 2018, which comprise the statement of financial activities (including income and expenditure account), statement of financial position, statement of cash flows and the related notes.

Respective responsibilities of trustees and examiner

The charity's trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006. The charity trustees consider that the audit requirement of Regulation 10(1)(a) to (c) of the 2006 Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1)(c) of the Act and to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination is carried out in accordance with Regulation 11 of the 2006 Accounts Regulations. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 44(1)(a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations, and
- to prepare accounts which accord with the accounting records and comply with Regulation 8 of the 2006 Accounts Regulations have not been met, or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

For the year ending 31 December 2018 the charity was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Directors' responsibilities:

- The members have not required the company to obtain an audit of its financial statements for the year in question in accordance with section 476;
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of financial statements.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies' regime.

Comann Eachdraidh Lios Mòr
Company Limited by Guarantee
Notes to the Financial Statements
Year ended 31 December 2018

1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in Scotland and a registered charity in Scotland. The address of the registered office is Port a Charrain, Isle of Lismore, Oban, PA34 5UL, Argyll.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Judgements and key sources of estimation uncertainty

The business is managed by the trustees who meet regularly during which any matters of judgement or estimation are considered and resolved.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

Comann Eachdraidh Lios Mòr
Company Limited by Guarantee
Notes to the Financial Statements (continued)
Year ended 31 December 2018

3. Accounting policies (continued)

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Comann Eachdraidh Lios Mòr
Company Limited by Guarantee
Notes to the Financial Statements (continued)
Year ended 31 December 2018

3. Accounting policies (continued)

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Freehold property	- 2% straight line
Plant and machinery	- 25% straight line

Investments

Unlisted equity investments are initially recorded at cost, and subsequently measured at fair value. If fair value cannot be reliably measured, assets are measured at cost less impairment.

Investments in associates

Investments in associates accounted for in accordance with the cost model are recorded at cost less any accumulated impairment losses.

Investments in joint ventures

Investments in jointly controlled entities accounted for in accordance with the cost model are recorded at cost less any accumulated impairment losses.

Investments in jointly controlled entities accounted for in accordance with the fair value model are initially recorded at the transaction price. At each reporting date, the investments are measured at fair value, with changes in fair value taken through income or expenditure. Where it is impracticable to measure fair value reliably without undue cost or effort, the cost model will be adopted.

Dividends and other distributions received from the investment are recognised as income without regard to whether the distributions are from accumulated profits of the joint venture arising before or after the date of acquisition.

Comann Eachdraidh Lios Mòr
Company Limited by Guarantee
Notes to the Financial Statements (continued)
Year ended 31 December 2018

3. Accounting policies (continued)

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

4. Limited by guarantee

The charity is limited by guarantee of its members. In the event of a wind up, individual members liability will be limited to £1 each.

Purposes of restricted funds

The deferred capital grant relates to the release of income received for the construction of the visitor centre which is released in line with the building's depreciation policy.

Funds were received from Historic Scotland and Heritage Lottery Fund to restore and display historical gravestones on site.

Funds were received from Bord Na Gaidhlig to deliver a Gaelic book festival in the year.

Funds were received from John Lewis Foundation for the purpose of refurbishing the centre, particularly the shop area.

Funds were received from Heritage Lottery and Argyll & Bute Council to refurbish the ancient nave.
